

Early Family History on WHERRITTS:

During the year of 1555, the Wherritt family were living in Wales. They fled in 1588 due to the Norman Invasion & came to England.

Later in 1632 to 1634 many came to America & thence to Maryland.

They then migrated to Kentucky and spelled their names e "-itt."

Those moving to Illinois spelled their names "-ett" in 1850s direct from England.

Answer - Eff. in 1920 & direct from England
There was no direct appeal
appeal. There was a bill.
There was no appeal. It was
appealed & hence to England.
Later in 1921 it was sent
to the American Mission & came to England.
